

Medium Term Plan: Supporting Implementation of LTP/Progression Grid

Subject: UKS2 Year B Dance

PoS aims from NC:

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect

Prior Learning (what pupils already know and can do)

It is helpful if children have:

- used video and other visual images to create initial ideas and develop dance phrases
- gained experience of talking about dance, art and music
- gained experience of talking about how to improve their compositions and performances

Long-term Learning (what pupils MUST know and remember) End Goals

<p>Y5 Dance skill *Confidently perform choosing appropriate dynamics to express changes in character or narrative. *Use counts when choreographing short phrases. *Accurately copy and repeat set choreography in different styles of dance showing a good sense of timing. *Choreograph phrases individually and with others considering actions, dynamics, space and relationships</p>	<p>Y6 Dance skill *Confidently perform choosing appropriate dynamics to represent an idea. *Use counts accurately when choreographing to perform in time with others and the music. *Perform dances confidently and fluently with accuracy and good timing. *Work creatively and imaginatively individually, with a partner and in a group</p>	<p>ABOUT THE UNIT- In this unit children learn different styles of dance and focus on dancing with other people. They create, perform and watch dances in a range of styles, working with partners and groups. In dance as a whole, children think about how to use movement to explore and communicate ideas and issues, and their own feelings and thoughts. As they work, they develop an awareness of the historical and cultural origins of different dances.</p> <p>WHERE THE UNIT FITS IN- This unit lays the foundations for Dance in upper KS2, in which children will use different visual images as a starting point for dance. They will be encouraged to become more adventurous when improvising and exploring ideas, developing their knowledge of how props, costume, design and music enrich dance. In other physical education units in year 5/6, children concentrate on designing and creating complex group sequences using music and exploring pattern and space (games)..</p>
